DETAILED ACTION

Claim Rejections - 35 USC § 102

1. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

2. Claims 38 and 39 have been rejected under 35 U.S.C. 102(b) as being anticipated by Zimmerman, 3259951. Upon further consideration, Zimmerman discloses the claimed product with a seal. The claim is construed to only be claiming the seal and the product with a seal. The recitation in the preamble and the wherein clause of the claim is considered to only be an intended use recitation of the seal with a slider, i.e., the seal must be capable of use with a slider having a lifting rib and a closure bar. The slider is not considered to be covered within the metes and bounds of claims 38 and 39. Zimmerman discloses the claimed invention as shown in the annotated figures.

3. The after final amendment filed on 11/30/2006 has been entered.
